

## REMARKS

This preliminary amendment is being filed concurrently with Applicants' application FE6072 (US), for which a serial number has not yet been assigned.

The specification has been amended to insert a reference to the corresponding International Application, and correct the Title and Abstract. Claims 1-11, and 12-15 have been amended to put them in better form. Claims 16 and 17 are new, support for which can be found in claims 1, 11, and 15 as filed, and page 10, lines 14-15 of the specification. No new matter has been added by these amendments and they do not affect the scope of the claims as originally filed.

It is not believed that any fee is required for entry and consideration of this Amendment; nevertheless, the Commissioner is hereby authorized to charge U.S. PTO Deposit Account 08-2336 in the amount of any such required fee.

Respectfully submitted,

William R. Reid
